## 1. Qualifying stage

- 1.1. Registered teams will be required to go through the selection phase in order to be able to participate in the final round.
- 1.2. Teams that perform successfully at the selection stage will be eligible to participate in the final.
- 1.3. With the selection stage, the race map of the final stage will be different.
- 1.4. To participate in the selection stage, it is necessary to familiarize yourself in detail with the information in the file called "Fast and furious".
- 1.5. Additional information about the selection stage (race map, date) will be posted on the site (<https://saf.steam.edu.az/>).

## 2. Terms of participation

- 2.1. Students aged 10-16 years can participate in the competition.
- 2.2. Teams for this competition must consist of 3 people (2 participants and 1 mentor).
- 2.3. Each team must have a mentor (over 18 years of age).
- 2.4. If, for any reason, it becomes necessary to change a member of the team, this should be notified to [saf@steam.edu.az](mailto:saf@steam.edu.az).

## 3. Selection of race track features

The race track features listed below are related to the selected race track.

- 3.1. The road surface of the race track is made up of black markings.
- 3.2. The race track is made up of sections of road that are prepared in the road barriers with dimensions of 1150x2300 mm.
- 3.3. The race track markings are  $20 \pm 2$  mm thick.
- 3.4. The race track has straight, curved, and irregularly curved sections.
- 3.5. There are 3 laps of 120 degrees each on the race track.
- 3.6. There are 240 mm, 400 mm, and diameter curves on the race track.
- 3.7. The race track design will be available on the link (<https://saf.steam.edu.az/>).
- 3.8. The race track design will be similar to the one shown above.

### Note:

1. Teams must have the necessary equipment to be able to participate in the competition.
2. The organizer does not provide participants with equipment.
3. Candidates are deemed to have accepted all the conditions mentioned above.
